

Vibes a Péyi La

Jocelyn Ménard has long been at the heart of Caribbean jazz, exploring the fusion of North American jazz with local Guadeloupean traditions. With the **Caribbean Jazz Group**, he brings together drums, ka, percussion, keyboards, bass, piano, and vocals to create a vibrant, layered sound. *Vibes a Péyi La* (recorded January 2025) is the culmination of years of collaboration and experimentation, where jazz, gwoka, and hints of zouk breathe together freely, celebrating the rich musical culture of Guadeloupe.
